#CALife LOVES

One size doesn't fit all and so we were pleased to hear about the addition of Da Luca Minis to the Prosecco family.

This is perfect for occasions where you only want one glass of bubbles. It is also perfect for picnics, celebratory excursions or any moments when a 750 ml bottle is too tall an order.

Da Luca Prosecco is a classic example of the Glera grape grown in the Prosecco region and an Italian sparkling wine that punches way above its weight.

These tiny, pre-packaged 200 ml personal poppers are treats perfect for any celebration. They are available at R55 per bottle from the Flagstone Cellar Door, Somerset West, and Norman Goodfellows, Johannesburg.
