

MHONDORO SAFARI LODGE & VILLA is a luxurious, 5-star safari lodge in the malaria-free, 'Big 5' Welgevonden Game Reserve in the Waterberg (Limpopo province, South Africa). Welgevonden encompasses 37 000 hectares and is an easy, 2h45-minute drive or a 50-minute flight from Johannesburg. Mhondoro features spectacular views and luxury accommodation, fine dining cuisine and passionate hospitality and service. Mhondoro is family-owned by Dutch nationals, Frank and Myriam Vogel, who both have a passion for African wildlife from which the desire was born to create a special place where nature may be preserved for future generations.

The ultimate 'big sky' destination, Mhondoro boasts unimpeded sunrises and sunsets over the Waterberg mountains and valleys. Guests can expect varied terrain, breath-taking landscapes and a diverse natural habitat featuring the 'Big 5', including a large white rhino population. Guided walking safaris with trained game rangers are offered by special arrangement, providing an excellent chance of spotting these precious, endangered beasts in their natural environment. Unique features at Mhondoro include a photographic game viewing hide at a waterhole, that is connected with the Main Lodge by a 65-metre long tunnel. The hide is accessible to all guests, at any time of day or night. Located at ground level, the hide provides excellent photographic opportunities from a distinctive perspective, as well as the excitement of getting really up close at eye level to elephants and other wildlife drinking from the waterhole.

Other lodge facilities extend to heated swimming pools for all year-round swimming, as well as a fully equipped gym and infra-red sauna at the Main Lodge. The Mhondoro Villa has its own private gym and yoga room. The Mhondoro Spa is equipped with a private, outdoor spa deck and bath, and dual treatments are offered including facials, massage treatments, manicures and pedicures. Another unique feature at Mhondoro is a custom-built star deck with a telescope, to offer stargazing evenings on clear nights. For honeymooners or a romantic breakaway, the secluded Honeymoon suite comes with a private heated plunge pool and a day bed with views across the reserve and the waterhole.

Couple's spa treatments are offered, in addition to romantic private dinners set up on the deck overlooking the waterhole.

Mhondoro is the ideal destination for families, as the reserve is a 100% malaria free. It is family friendly and caters for children of all ages. Various age-specific activities are available for kids; including cookie baking, kids' walks, and learning about animal tracks and signs. Children under 12 receive a Kiddies' Activity Pack, including a Mhondoro bag with an activity booklet. Special 'Kids Bumble Drives' can be arranged (at a cost of R750 per drive) for parents and little ones under the age of 6, who are too young to join the regular game drives. Child-minding services can be arranged for parents who want to go on safari without their children; or just enjoy some quiet time, indulging in a spa treatment or a romantic dinner, while their children are being taken care of (cost is R400 per babysitter per game drive; or R175 per hour per babysitter outside of game drive times).

The Kids Play Area is located a short distance away from the suites in an enclosed area with electric fence to keep them safe from the animals. Here children between the ages of 2 and 10 years can keep themselves busy (or be supervised by a babysitter) playing on the jungle gym, swings, trampoline and in the sandpit. For older children or on rainy days, there is a (soundproof) playroom downstairs inside the Main Lodge, equipped with board games, puzzles, PlayStation, an air Hockey machine and many other toys to keep them entertained for hours.
